HAZARD

Recent quality testing of Hello Sunday – The One for Your Eyes – Eye Cream SPF 50 has shown a significant discrepancy in its labelled sun protection. Initial tests indicated compliance with SPF 50, but later analyses reported lower SPF levels than declared. As a result, the product may not provide adequate protection and could increase the risk of sun-related skin damage.

WHAT TO DO

If you have purchased this product, please **stop using it immediately** and return to any TK Maxx store.

REMEDY

You can get a full refund or replacement.
