### HAZARD

As a precautionary measure, Penguin Random House UK is voluntarily recalling copies from specific printings of the above Peppa Pig book due to the discovery of a manufacturing fault where the glitter varnish finish on the cover of the books is lifting and can be peeled off. Small flakes of glitter varnish could be a choking hazard to small children. The issue relates to a limited number of printings dating from 2020 and 2021 which were manufactured at a specific printer in the UK. You can find the unique print number on the copyright page inside each book. An example is below.

### WHAT TO DO

If you have a copy from any of the printings listed above, please take the book away from small children and return it to any TK Maxx or Homesense store.

### REMEDY

You can get a full refund or replacement.
