HAZARD

Recent testing has identified a potential issue with the product's internal wiring. In some units, the wiring may not be securely attached. As this is a portable product, there is a risk that the wiring could become loose during use, which may lead to overheating or a potential fire hazard.

WHAT TO DO

If you have purchased this product, **please stop using it immediately** and return to any TK Maxx store.

REMEDY

You can get a full refund or replacement.
